## **PRESIDENTS REPORT**

Firstly, I would like to congratulate all our members for a fantastic year particularly the clubs that took out their respective division for 2019.

Our competition provides a level of hockey in Master's, that is amongst the highest in Australia. We now have just under 500 players, in a competition with 28 teams. We are very lucky to have such a great standard of competition here in Sydney, let's keep it that way.

Our teams were well represented at State Championships this year. We entered 9 teams from Sydney covering all ages and divisions. We were successful in the 50/1's and 65/2's, congratulations to all these players. From these, we had 56 players selected for state representation, and a number of Australian selections, congratulations to all.

A huge thank you to our volunteer base. The team co-ordinators, delegates, umpires that show up every week, especially Craig Millar for his duties as Umpire Manager. A special thank you to Simon McCoy who took on the role of Competition Manager for 2019 under the watchful eye of Steve Reilly. There have been many positive comments about the way in which Simon has covered this position during the year. He is staying on in 2020, well done to both of you.

It was also a very pleasing result to see the number of cards given during the season was kept to a minimum. There were no red cards this season, and therefore, no judiciary required. Keep up the good work and attitude. Remember, no umpires, no game!

It is a credit to our board members, that SMHA is in such a strong, healthy position. As volunteers, many of us spend an incredible amount of time ensuring the competition runs as smoothly as possible and there are many after-hours meetings and emails that require attention.

I would like to reiterate from last year, that we have our own portal through Hockey NSW. This was a major step in keeping Sydney Masters a strong independent association that is affiliated with Hockey NSW. I would encourage you to use the portal in 2020 as your main registration point, especially if you are only playing Masters' mid-week. It is an uncomplicated process and it helps HNSW know actual playing numbers.

Please keep an ear to the ground of new players wishing to play mid-week masters. There is room especially in the Premier Division, we want to keep the standard as high as we can.

We do have some exciting news on our new software system to be introduced in 2020. James Fordham, our technical IT guru, will be showcasing how much easier this make the life of a Co-ordinator in 2020. Watch this space.

Feel free to contact me at any time should you need to do so. I wish you all a very safe and enjoyable Christmas and look forward to seeing you all in 2020.

Regards,

David Alexander

# Representative Teams Report

In 2019 the Sydney Men's Master's Hockey Association entered 9 representative teams in the NSW Men's Masters Hockey Championships. Again, we performed strongly and were able to contest 3 of the 5 A Division finals although only the Over 50's were successful in winning their State Championship title.

The individual reports on the various age Championships are as follows –

## **Over 35 State Championships**

**The Over 35's** played at Newcastle and Sydney was managed by Greg Kay and represented by the following players –

Corry Allsop, Matt Burton, Anthony Caton, Chris Coombes (Co-Captain), Andrew Fell, Darren French, Matt Kay, Garry Labana, James Lear, Anton Long, James Maltman (Co-Captain), Harvey Singh and Regan Smith.

Ross Swadling was our very capable Massage Therapist and Umpire was Zac Payne.

This year's competition had to 10 teams in two Divisions. A Division had five teams playing each other in a round-robin competition. We lost to Tamworth 2-1, Newcastle 9-1, Metro South West 4-2 and beat Goulburn 2-1. This saw us play Newcastle in the semi-final (with several injuries) where we were totally outplayed to lose 9-1 and therefore finish 4<sup>th</sup> overall

**Sydney players selected in the NSW team** were – Chris Coombes

**Shadow players** selections were – James Maltman and Matt Burton

A special vote of thanks to Greg Kay for his contribution as Manager and organisation of the team. Thanks also to Ross Swadling for his contribution as Massage Therapist and to Zac Payne as umpire.

**Final Rankings** for the event were – 1. Newcastle 2. Metro South West 3. Tamworth **4. Sydney** 5. Goulburn

## **Over 40/45 State Championships**

**The Over 40 / 45's** were played in Sydney (Moorebank Hockey Centre).

**The Over 40/45 "No 1" team** was managed by Brett Picknell.

The team comprised - Duncan Brown, James Fordham, Eddie Gallagher, Adrian Jones, Peter Kooner, Garry Labana, Gareth Murray, Andrew Newton, Andrew Parker (Vice Captain), Harvey Singh (Vice Captain), Colin Smith, Regan Smith, Dean Tyler (Captain), Myles Ward-Thornton (Goalkeeper) and Revell Weightman.

Danielle Alexander was our very capable Physiotherapist. David Coles and Rob Sutton completed umpire commitments for Sydney.

The team performed very well to record excellent wins over Manning Valley 6-3, Newcastle 5-2 and Goulburn 3-0 to convincingly win their pool. Sydney met the highly regarded Far North Coast in the semi-final. Far North Coast won 3-2 in a hard fought and fast paced game with a goal in the last minute and then went on to win the final against Illawarra 1-0.

Congratulations to the Sydney team players for their excellent individual efforts over the weekend. Also, thanks to the leadership group (Dean, Harvey and Drew) for their efforts in guiding the team throughout the Championships.

**Final Rankings** in this division were – 1. Far North Coast 2. Illawarra **3. Sydney** 4. Goulburn 5. Manning Valley 6. Metro South West 7. Tamworth 8. Newcastle

This team had 1 draw and 3 losses in round games as follows – losses were against Nepean 0-1, Orange 1-4 and Central Coast 2-4 and 2-2 draw against eventual winners Parkes. These results (given the unfair draw of playing the 4 of the top 5 teams during the rounds – all of these were the No 1 teams for these Associations) saw them finish 7<sup>th</sup> out of the 9 teams in the Division.

Parkes defeated Orange 3-2 in the final.

**Final Rankings** in this Division were – 1. Parkes 2. Orange 3. Bathurst 4. Nepean 5. Central Coast 6. Coffs Coast **7. Sydney** 8. Southern Highlands 9. Metro South West 2

## **2019 Australian Masters Championships**

At the 2019 Australian Men's Masters Championships played in Bunbury and Busselton, Western Australia in September / October, the NSW teams were successful.

Overall, NSW teams were outstanding in contesting 11 of the 14 Divisions final series of matches, winning four (runners up in 3) and were again one of the most successful Men's Masters Hockey State in Australia along with Western Australia.

The 55/1's, 65/1's and Over 75's were outstanding in winning their respective division. Successful also were the 60/2's who won their division. The 35's, 55/2's and 60/1's lost their finals to WA, Tasmania and WA respectively after going into these matches as favourites. The 40/1's, 45/1's, 45/2's and 50/1's were all beaten in their semi finals after performing well throughout the rounds – they finished 3<sup>rd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> respectively. The only teams to miss the finals were the Over 40/2's, 50/2's and 70's.

Our congratulations to all NSW players (and especially all the players from Sydney) for their outstanding individual efforts in strongly contesting all divisions. The championship experience is one that will remain in the memories of all players for many years to come.

**Notes to the financial statements**  
**for the year ended 30 September 2019**

**Note 1: Statement of Accounting Policies**

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act New South Wales. The committee has determined that the association is not a reporting entity.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following significant accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report.

**a) Income Tax**

No provision for income tax has been raised as the entity is exempt from income tax under Section 50-45 of the Income Tax Assessment Act 1997.

**b) Inventories**

Inventories are measured at the lower of cost and net realisable value.

**c) Property, Plant and Equipment (PPE)**

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

The depreciable amount of all PPE is depreciated over the useful lives of the assets to the association commencing from the time the asset is held ready for use.

Leasehold improvements are amortised over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

**d) Impairment of Assets**

At each reporting date, the entity reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

**e) Employee Benefits**

Provision is made for the association's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits have been measured at the amounts expected to be paid when the liability is settled.

**f) Provisions**

Provisions are recognised when the association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions are measured at the best estimate of the amounts required to settle the obligation at the end of the reporting period.

**g) Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of six months or less.

**1 Statement of Accounting Policies (continued)**

**h) Revenue and Other Income**

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

All revenue is stated net of the amount of goods and services tax (GST).

**i) Leases**

Leases of PPE, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the association, are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amounts equal to the fair value of the leased property or the present value of the minimum lease payments. Including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for that period.

Leased assets are depreciated on a straight-line basis over the shorter of their estimated useful lives or the lease term.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

**j) Goods and Services Tax**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

**k) Comparative Figures**

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

## **INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF**

### **SYDNEY MASTERS HOCKEY ASSOCIATION INCORPORATED**

#### **Report on the financial report**

I have audited the accompanying financial report being a special purpose financial report, of Sydney Masters Hockey Association Incorporated which comprises the balance sheet as at 30 September 2019, the income statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

#### **Officers' Responsibility for the Financial Report**

The officers of Sydney Masters Hockey Association Incorporated are responsible for the preparation of the financial report and have determined that the basis of preparation described in Note 1, is appropriate to meet the requirements of the Associations Incorporation Act (NSW) 2009 and is appropriate to meet the needs of the members. The officers' responsibility also includes such internal control as the officers determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

#### **Auditor's responsibility**

My responsibility is to express an opinion on the financial report based on my audit. I conducted my audit in accordance with Australian Auditing Standards. Those standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

#### **Opinion**

In my opinion, the financial report presents fairly, in all material respects, the financial position of Sydney Masters Hockey Association Incorporated as at 30 September 2019, and its financial performance and its cash flows for the year then ended in accordance with Associations Incorporation Act (NSW) 2009.
