WELCOME TO THE INAUGURAL INTERCITY MEN'S MASTERS HOCKEY CHALLENGE IN 2021

FROM THE PRESIDENTS

ACT MASTERS HOCKEY ASSOCIATION inc

Let me start by wishing all our visitors from Sydney a hearty Canberra welcome. We hope you enjoy some great hockey, some great hospitality and comradeship at what we consider the best hockey facility in Australia. We also hope you find time to discover a few of the highlights our city has to offer.

With a huge input from Doug Dawson, an idea from Greg Kay became a carnival. So it is a just reward that the trophy you all will be fighting for is named partly in Doug's honour. Merv Goodridge, Doug's Sydney counterpart, has been a part of his Masters community for a long time and it is a great idea to put faces to this trophy. I look forward to the series being contested in 2021 and annually beyond that.

I need to thank members of the ACT Masters Hockey Association Committee for their hard work and assistance, especially Craig Johnston (our VP) for standing up with Doug and making this series a reality while I was off line.

And lastly, thanks to the managers, coaches, captains, wives, family and support staff who all conspire to let silly old buggers have the time of our lives. Win or lose, let's make Masters Hockey a winner.

Leo Clarke

President

ACT Masters Hockey

SYDNEY MASTERS HOCKEY ASSOCIATION

On behalf of the Board of the Sydney Masters Hockey it gives me great pleasure to be involved in establishing this exciting new Intercity Men's Masters Hockey Challenge with our long time Masters Hockey friends in Canberra.

We trust that all of the players and officials participating in the inaugural 2021 series will bring a competitive and fair play spirit on the field for all games and then enjoy (as is customary in Men's Masters) some well-earned hospitality afterwards.

Thank you to the Board of ACT Masters Hockey for hosting this inaugural 2021 series in Canberra at the ACT Hockey Centre and for your co-operation and assistance with all the important arrangements to make this Intercity Masters Hockey Challenge not only possible but actually happen.

May the city with the best overall team results on the day be awarded The Merv Goodridge and Doug Dawson Cup and hopefully the success of this inaugural series will lead to this becoming an important annual event.
